3 DC's proposal may be sanctioned. The diversion of funds for drainage Works would not be objectionable though the original grant was for a different purpose altogether - It simply shows that the Municipality does not know its mind, no plan & no programme. There is no point in DC's recommending Town Improvement Grants without previously satisfying themselves that there is real need, & that the grant asked is against a definite Scheme of public utility for which plans & Estimates are ready.

Sir,

Appropriation of Town Improvement and Drainage Grants sanctioned for Agara-Nambilli Minor Municipality for 45-46

I have the honour to statethat Government in their Order No L 10120-34/M 1 69-45-5 dated the 30th March 1946 sanctioned for the Minor Municipality of Agaramambilli for 45-46 a sum of Rs 2,500/ out of the Town Improvement grants, Rs 2,000/- for slum clearance and Rs 500/- for construction of drains The Bill received for the grant of Rs 500/- was returned countersigned

As regards the bill for Rs 2000/- it was suggested by the President that as there was greater need for drains, and as so much money was not needed for slum clearance, the entire grant of — — Rs 2000/- might be appropriated for the construction of drains, it was returned countersigned pending sanction to the reappropriation later to prevent lapse of grant for the year

The Recommendation made for reappropriation is in accordance with the Council Resolution dated 22-6-1946 copy of which is — — enclosed along with the President's report No H C 50 dated — — 27-6-1946

I request that sanction may kindly be accorded to utilise the grant for the purpose mentioned in the council Resolution early

I have the honour to be,
Sir,
Your most obedient servant,

DEPUTY COMMISSIONER,
Mysore District
